

# Technical communication

## **When are assignments/quizzes/other due? Can they be done late? How late? With what penalties?**

In order to avoid any conflicting information, this information appears in only one location:

- due dates: within Canvas, customized for your lab and lecture section
- how late: in the syllabus
- penalties: in the syllabus

Repeating it here or anywhere else is likely to cause confusion when semester-to-semester variations occur.
